

Individuals who want to be graded as Electricians who completed their Apprenticeship outside the UK or cannot provide proof of apprenticeship

To find out if you qualify for an SJIB Grade (ECS) Card simply answer the questions and follow the arrows.

Are you currently working as an Electrician or have substantial experience in the electrical contracting industry?
Have you served and completed an SJIB recognised apprenticeship either in the UK or abroad?
Do you have the appropriate certificates / documentation? Contact the SJIB on 0131445 9216 for more information.

YES

Are you currently working as an Electrician or have substantial experience in the electrical contracting industry?

YES

Can you provide certificates proving you have successfully completed the following (assessed) training:

- SELECT'S ECS Health & Safety Course (completed within the last 30 months); and
 - Scottish Building Standards (completed within the last 30 months); and a
- Suitably assessed training course on the Requirements of IET Wiring Regulations to BS 7671 (within the last 5 years). Click the [link](#) to see a list of the approved training courses.

YES

Complete and return the [CEC Application Form](#) to SECTT with the appropriate supporting documentation and administration fees.

When appropriate and after your application has been approved you will receive an SJIB Provisional Electrician's card which will be valid for 18 months.

Please Note: No other grade will be allocated to you until you have been graded as an Electrician for at least two years.
