

SJIB Graded Electricians who started their apprenticeship after August 2007 and are looking to re-grade to an Approved Electrician.

To find out if you qualify to be re-graded to approved status simply answer the questions and follow the arrows.

Apprentices and Adult Trainees who completed an SVQ Level 3 are exempt from completing the ECS Health, Safety and Environmental Assessment for 3 years. Please refer to the ECS Health, Safety and Environmental Assessment section on the website for more information.
