## Additional Responsibilities - Optional

### Qualified Supervisor

Qualified Supervisor cards are not transferable to other companies and as such, the company is responsible for paying the fee. If a Qualified Supervisor leaves the company, they can request a replacement card which will state the original expiry date by completing a Replacement / Update application form.

Please enter the Certification Scheme provider you are registered with:

SELECT Qualified Supervisor

NICEIC Qualified Supervisor

Name of Organisation / Company

Company Address

Failure to provide the company name and address will prevent the SJIB from verifying your Qualified Supervisor status and your card will be issued without this information.

If you are not registered as the Qualified Supervisor with either SELECT or the NICEIC and everything else is in order the SJIB will process your application and your new card will make no reference to Qualified Supervisor.

### IET Membership

Please enter your IET membership number

Failure to provide your IET Membership Number will prevent the SJIB from verifying your IET Membership and your card will be issued without this information.

## Important Information

The SJIB have seen a significant increase in the number of fraudulent certificates and cards and treat this matter very seriously.

In 2000 the SJIB National Board introduced the following rules:

- Any operative who submits forged certificates to the SJIB when applying for their card will have their existing card removed and no further applications will be considered for a period of six years, i.e. the lifetime of two cards.
- An operative who submits a false application may be denied a card for a period of six years.

These rules will be applied if, after a thorough investigation, an individual is found to be in breach of either rule.
