

Related Discipline Card Finder

Listed below is a list of historic ECS Related Discipline cards and the ECS card that is recommended that a card holder transfers to. Other ECS card options may be more suitable to you and reflect your current job role.

ECS Related Discipline – Field Engineer (replaces the cards listed below)

| | |
|---------------------------------|---------------------------------------|
| A.G.L. Engineer | Installation Engineer |
| Applications Engineer | Lighting and Sound Engineer |
| Audio Visual Engineer | Lighting Systems Engineer |
| Audio Visual Programmer | Maintenance Engineer |
| Automation Engineer | Mechanical Engineer |
| AV Engineer | Meter Fixer Operative |
| AV Installer | P.A. Systems Engineer |
| AV Systems Engineer | Senior Engineer |
| AV Technician | Service Engineer |
| Battery Installation Engineer | Systems Engineer |
| DC Power Installation Assistant | Technical Engineer |
| Digital TV Systems Installer | Technical Support Engineer |
| EAS Installer | Technician / Commissioning Engineer |
| Electrical Heat Tracer | Telemetry Engineer |
| Entertainment Systems Installer | Test Engineer |
| Field Engineer | Trace Heating Engineer |
| Field Service Engineer | U.P.S. Engineer |
| Field Technician | Uninterruptible Power Supply Engineer |

ECS Related Discipline – Equipment Installer (replaces cards listed below).

| | |
|------------------------------|-----------------------------------|
| Catering Equipment Installer | Solar PV Technician |
| Equipment Installer | Sub Station Fitter |
| Generator Engineer | Switchgear Engineer |
| Medical Equipment Installer | Telecomms Installer |
| Panel Builder | UV Treatment Plant Comms Engineer |
| Panel Fitter | |

ECS Related Discipline – Aerial and Satellite Engineer (replaces card list below).

| |
|-------------------------------|
| Aerial and Satellite Engineer |
|-------------------------------|

ECS Related Discipline – Control Systems Engineer (replaces cards listed below).

| | |
|------------------------------|------------------------------------|
| Automation Controls Engineer | Control Systems Engineer |
| BMS Commissioning Engineer | Controls Engineer |
| Control Panel Fitter | Electrical Control Panel Installer |

ECS Site Support (replaces cards listed below).

| | |
|------------------------------------|------------------------------------|
| CAD Engineer | Quantity Surveyor * |
| CAD Manager | Regional Supervisor/UPS Engineer * |
| CAD Operator | Regional Surveyor * |
| Commissioning Engineer | Sales Engineer * |
| Customer Service Engineer | Senior Commissioning Engineer* |
| Design Engineer | Senior Design Engineer* |
| Electrical Estimator | Site Surveyor* |
| Health and Safety Manager | Site Visitor* |
| Health and Safety Training Manager | Software Engineer |
| Project and Design Engineer * | Supervisor* |
| Project Engineer * | Systems Integrated Manager* |
| Project Manager * | Trainee Project Engineer |

*For these historical cards/occupations you can apply for either an ECS Site Support or ECS Manager card. However, you must meet the appropriate criteria.

ECS Manager (replaces cards listed below).

| | |
|----------------------------------|------------------------------------|
| Area Manager | Quantity Surveyor * |
| Audio Visual Manager | Regional Supervisor/UPS Engineer * |
| Commissioning Manager | Regional Surveyor * |
| Development Manager | Sales Engineer * |
| Director – Audio Visual Division | Senior Commissioning Engineer* |
| Field Operations Manager | Senior Design Engineer* |
| Managing Director | Supervisor* |
| Operations Engineer | Systems Integrated Manager* |
| Operations Manager | Technical Director |
| Project and Design Engineer * | Technical Manager |
| Project Engineer * | Technical Support Manager |
| Project Manager * | |

*For these historical cards/occupations you can apply for either an ECS Manager or ECS Site Support card. However, you must meet the appropriate criteria.

Fire Emergency and Security Systems (FESS)

| Historic Occupations | New card |
|--------------------------|------------------------|
| Access Control Installer | FESS Systems Operative |
| CCTV Engineer | FESS Systems Operative |
| Fire Systems Engineer | FESS Systems Operative |

Network Infrastructure

| Historic Occupations | New card |
|----------------------|---|
| Datacomms Installer | Network Infrastructure Installation Assistant |
| Network Engineer | Network Infrastructure Installation Assistant |

Cabling and Jointing

| Historic Occupations | New card |
|------------------------|--------------------|
| Cabling Supervisor | Cable and Jointing |
| HV Fitter/Engineer | Cable Hand |
| HV Sub – Stn Inspector | Cable Hand |
| Linesman | Cable Hand |
| Wireman | Cable Hand |
