The SJIB have seen a significant increase in the number of fraudulent certificates and cards and treat this matter very seriously.

In 2000 the SJIB National Board introduced the following rules:

- Any operative who submits forged certificates to the SJIB when applying for their card will have their existing card removed and no further applications will be considered for a period of 6 years, i.e. the lifetime of two cards.
- An operative who submits a false application may be denied a card for a period of 6 years.

These rules will be applied if, after a thorough investigation, an individual is found to be in breach of either rule.
