Self Employed Statement of Experience

For you to progress to Approved Electrician Status, you must have 2 years' experience as a graded Installation Electrician.

You are required to document 4 jobs, recently undertaken, on the attached Job Records, where you were responsible for the installation, any operatives on the job and any requisitioning of materials for the job. In addition you will have been responsible for Health & Safety, and the Safe Working Practices in accordance with the Electricity at Work Regulations 1989, and also ensuring the installation complied with BS 7671 and any other relevant Regulations, Standards and Codes of Practice.

Ideally you should complete these Job Records once you have sufficient experience, and you have had responsibility for these jobs. You will note that we require details of the client, their contact details and the client's signature.

We may contact your clients to verify the details on these Job Records.

You are required to document your experience as a self employed electrician on the attached Job Records, providing as much detail as possible.

It should record your ability to carry out electrical installation work with adequate technical and supervisory knowledge, to be able to work on your own proficiently and carry out installation work without supervision in the most efficient and economical manner. In addition it should record that you are able to set out jobs from drawings and specifications, and requisition the necessary installation materials.

Ideally the jobs detailed overleaf should be installations, or parts of larger installations, that you were responsible for. This responsibility should cover the areas detailed above in relation to technical and supervisory knowledge, setting out work from drawings, etc., and undertaking the work in an efficient and cost effective manner.

Note: All Job Records must be completed and signed off by the Client, and returned to SECTT at the above address.

SECTT will review your Self Employed Electrician Declaration form, Self Employed Electrician Statement of Experience and the Job Records, and if everything is in order SECTT will retain copies and return the originals to you. An ACA application form will be sent to you, this should be completed and returned and if everything is in order SECTT will arrange a suitable date for you to attend the ACA. Upon completion of the ACA the SJIB will notify you of the results.
